

KITCHEN SMOKE ALARM

Worry-Free

Test/Reset button
 Smart Hush™ button
 End-of-life signal
 Sealed-in lithium battery
 Photoelectric sensor
 Combined smoke & carbon monoxide alarm

Worry-Free™ range

The Quell® Worry-Free™ range of smoke alarms provide a total smoke alarm solution for the home.

Each smoke detector is location specific, offering protection for bedrooms, living areas, kitchens and hallways.

Protect your family

House fires develop in different ways and are often unpredictable. As smoke alarms have sensing limitations, it is recommended that both ionisation and photoelectric smoke alarms be installed to provide maximum detection of the various types of fires that can occur within the home. Ionisation sensing alarms may detect invisible fire particles (associated with fast flaming fires) sooner than photoelectric alarms. Photoelectric sensing alarms may detect visible fire particles (associated with slow smouldering fires) sooner than ionisation alarms.

Please refer to the user manual prior to installing any smoke alarm.

Features and benefits

- Sealed-In lithium battery**
 Maintenance and hassle free with prevention from tampering and removal. The alarm is always on, with no battery replacement required for the 10 year life-span of the alarm
- Photoelectric sensor**
 Advanced sensor to detect visible particles associated with smouldering fires
- Intelligent multi-sensor alarm**
 Detects both smoke and carbon monoxide
- Single screw-mounting bracket**
 Enables quick and easy installation. Alarm is automatically activated once installed
- Smart Hush™ button**
 Temporarily silences nuisance and false alarms
- Test/Reset button**
 Tests the alarm circuitry and horn. Resets memory after the alarm has sounded
- End-of-life signal**
 Chirps every 30-45 seconds to signal that alarm needs to be replaced
- Deactivation switch**
 Disables the alarm to allow for safe battery disposal once the unit has reached the end of its 10-year life. Tamper resistant feature prevents a disabled alarm from being placed back onto the mounting bracket
- 10 year limited warranty**
 Provides peace-of-mind with a decade of smoke and fire detection
- Australian Standards approved**
 Complies with Australian Standard AS 3786:2014 incl. Amdt 1 and Activfire listed for quality assurance

KITCHEN SMOKE ALARM

Product Specifications

Product Code	135989
Model Number	C3010K-CO
Power Source	10-year Lithium-Ion battery (sealed inside the alarm). No battery installation or replacement necessary for the life of the alarm
Smoke Sensor	Photoelectric
Audio Alarm	85+ dB at 3 metres KHz pulsing alarm
Size (D x W x H)	55 mm x 192 mm x 286 mm
Weight	0.120 kg
Interconnects	No
Temperature	Operating range: 0°C to 45°C
Humidity	Operating range: up to 85% non-condensing
Warranty	10 year limited warranty
Certification	Activfire® listed. Complies with Australian Standard AS 3786:2014 incl. Amdt 1
