

MINI PROTECT 10-YEAR SEALED PHOTOELECTRIC SMOKE ALARM

Quell Smoke Alarms

Quell Mini Protect is Big on safety, small in size Quick and easy D.I.Y suitable for installation in any room of the house and powered by a sealed non removable battery. No need for battery replacements.

Quell's range of smoke alarms provide a total smoke alarm solution for the home.

Each Quell branded smoke alarm is Australian Standard certified.

Protect your family

House fires develop in different ways and are often unpredictable. As smoke alarms have sensing limitations, it is recommended that both ionisation and photoelectric smoke alarms be installed to provide maximum detection of the various types of fires that can occur within the home.

Ionisation sensing alarms may detect invisible fire particles (associated with fast flaming fires) sooner than photoelectric alarms. Photoelectric sensing alarms may detect visible fire particles (associated with slow smouldering fires) sooner than ionisation alarms.

Please refer to the user manual prior to installing any smoke alarm.

Features and Benefits

- **Easy D.I.Y installation**
Can be installed on ceiling and wall in any room
- **Photoelectric sensor**
Detects visible particles associated with smouldering fires.
- **Large Central Hush/Test button**
Easy to operate. Tests the alarm circuitry and horn and silence nuisance alarms.
- **Sealed-in lithium battery**
Maintenance and hassle free with **no battery replacement required.**
- **End-of-life low battery notification**
Alerts you after 10 years when it's time to replace the alarm.
- **Bug screen**
Prevents nuisance alarms caused by insect infiltration.
- **5 year limited warranty**
- **Australian Standards approved**
Complies with Australian Standard AS 3786:2014 incl. Amdt 1 and Activfire listed for quality assurance.

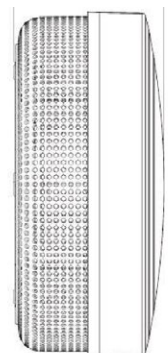

MINI PROTECT 10-YEAR SEALED PHOTOELECTRIC SMOKE ALARM

Product specifications

Product Code	138625
Model Code	QM10
Power Source	10-year lithium-ion battery DC3V (CR123A) (sealed inside the alarm). No battery installation or replacement necessary for the life of the alarm
Smoke Sensor	Photoelectric
Audio Alarm	>85dB(A) @ 3 meters.
Size	71mm x33mm
Weight	0.78kg
Interconnects	No
Temperature	Operating range: 0°C to 40°C
Humidity	Operating range: < 93% relative humidity (RH)
Warranty	5 year limited warranty
Certification	Complies with Australian Standard AS 3786:2014 incl. Amdt 1
