

BEDROOM / HALLWAY PHOTOELECTRIC SMOKE ALARM

Quell Smoke Alarms

Quell's range of smoke alarms provide a total smoke alarm solution for the home.

Each Quell branded smoke alarm is Australian Standard certified and comes with a 10 year warranty.

Protect your family

House fires develop in different ways and are often unpredictable. As smoke alarms have sensing limitations, it is recommended that both ionisation and photoelectric smoke alarms be installed to provide maximum detection of the various types of fires that can occur within the home.

Ionisation sensing alarms may detect invisible fire particles (associated with fast flaming fires) sooner than photoelectric alarms.

Photoelectric sensing alarms may detect visible fire particles (associated with slow smouldering fires) sooner than ionisation alarms.

Please refer to the user manual prior to installing any smoke alarm.

Features and Benefits

- **Photoelectric sensor**
Advanced sensor that detects visible particles associated with smouldering fires.
- **Hush button**
Temporarily silences nuisance alarms.
- **Test button**
Tests the alarm circuitry and horn.
- **LED indicator**
Indicates standby, hush, alarm activation and low battery condition.
- **9V battery operated**
Provides continuous fire protection even during power outage. 9v battery is included with the alarm.
- **Interconnectable**
Ability to connect up to 24 additional smoke alarm units. When interconnected, all alarms will sound to ensure adequate warning.
- **10 year limited warranty**
Provides peace of mind with a decade of smoke and fire detection.
- **Australian Standards approved**
Complies with Australian Standard AS 3786:2014 incl. Amdt 1 and Activfire listed for quality assurance.

BEDROOM / HALLWAY PHOTOELECTRIC SMOKE ALARM

Product specifications

Product Code	136423
Model Number	Q301
Power Source	9V Battery
Smoke Sensor	Photoelectric
Audio Alarm	85+ dB at 3 metres
Size	104 mm (diameter) x 35 mm
Weight	0.160 kg
Interconnects	No
Temperature	Operating range: 0°C to 40°C
Humidity	Operating range: 5 - 92% relative humidity (RH)
Warranty	10 year limited warranty
Certification	Activfire® listed. Complies with Australian Standard AS 3786:2014 incl. Amdt 1
